The image shows the login page for the AO Foundation. At the top, there is the AO Foundation logo and the tagline "Transforming Surgery — Changing Lives". Below this, the text "Sign in or create account" is displayed. The main login form is a light blue box containing a user icon, a text input field for "Enter your username", a text input field for "Password", a blue "Sign in" button, and a "Forgot password?" link. Below the login form is a "Create account" link and a "Click for help" button with a speech bubble icon. Two black arrows originate from the text in the first step of the instructions: one points to the "Enter your username" field, and the other points to the "Forgot password?" link.
